

Are you interested in teaching in a smaller community with project opportunities and small class sizes?

Oelrichs Public School is  
**Hiring Teachers**

for the 2023-2024 school year!

**High School Math, High School Science and Elementary Teachers**

We have several positions available. Join our team that prioritizes professional development and project opportunities. Come enjoy our small class sizes (10-15 students) and teach in new, updated facilities.

**Now Scheduling Interviews**
